Professional background

Ronald Scott served as Chief Executive Officer of Basilea Pharmaceutical International from January 2013 until April 2018. He was Basilea's Chief Operating Officer from January through December 2012, and served as Basilea's Chief Financial Officer from the Company's founding in 2000 through January 2012 as well as ad interim Chief Financial Officer from February 2013 until November 2013. From 2004 to October 2011, Mr. Scott served on the Board of Directors and was a co-founding Board member in 2000.

Prior to joining Basilea, Mr. Scott worked at Roche Holding (Roche) in management positions in Pharmaceutical Finance, Licensing, and the Roche Corporate Finance Mergers and Acquisitions group. Prior to joining Roche, Mr. Scott worked for Prudential Investment Corporation in the United States as Director in Prudential's Finance and International Business Development Units, managing divestitures and joint venture transactions.
